

ARHS COVID-19 Testing Clinics

Testing clinics are offered by appointment only from 1-3 pm on the following days at the health department:

Monday: Chowan County Health Department - 252-482-6003
Gates County Health Department - 252-357-1380

Tuesday: Hertford County Health Department - 252-862-4054
Perquimans County Health Department - 252-426-2100

Wednesday: Bertie County Health Department - 252-794-5322
Currituck County Health Department - 252-232-2271

Thursday: Camden County Health Department - 252-338-4460
Pasquotank County Health Department - 252-338-4400

***Tests conducted are viral tests that look for active virus or current infection.**

Tests will be done by appointment only at the local health department.

Please call to be screened to ensure you meet testing criteria and to schedule an appointment.

If you have a primary care home, ARHS encourages you to work with your primary care provider first.

All tests will be done through a curbside screening clinic at the health department, so please stay in your vehicle upon arrival.
